JOURNAL of ETHICS & SOCIAL PHILOSOPHY
<http://www.jesp.org>

The *Journal of Ethics and Social Philosophy* (ISSN 1559-3061) is a peer-reviewed online journal in moral, social, political, and legal philosophy. The journal is founded on the principle of publisher-funded open access. There are no publication fees for authors, and public access to articles is free of charge and is available to all readers under the CREATIVE COMMONS ATTRIBUTION-NONCOMMERCIAL-NODERIVATIVES 4.0 license. Funding for the journal has been made possible through the generous commitment of the Gould School of Law and the Dornsife College of Letters, Arts, and Sciences at the University of Southern California.

The *Journal of Ethics and Social Philosophy* aspires to be the leading venue for the best new work in the fields that it covers, and it is governed by a correspondingly high editorial standard. The journal welcomes submissions of articles in any of these and related fields of research. The journal is interested in work in the history of ethics that bears directly on topics of contemporary interest, but does not consider articles of purely historical interest. It is the view of the associate editors that the journal's high standard does not preclude publishing work that is critical in nature, provided that it is constructive, well-argued, current, and of sufficiently general interest.
